Mirbud complex in Łódzkie

■ **POLAND** Mirbud is to develop and construct a warehouse facility in Skierniewice in the Łódzkie voivodship. The company has acquired a 4.7-ha plot located on ul. Unii Europejskiej. According to the investor's plan, a 30,000 sqm warehouse and distribution centre is to be built. The complex will mainly be serving local logistics companies. Mirbud is also preparing an IPO, and recently acquired properties in Rawa Mazowiecka, Skierniewice and Żyrządów, where the company is planning to develop residential buildings.
